Skills

Applications: Microsoft Word, Excel, Powerpoint, Adobe Photoshop, Dreamweaver, Illustrator, Flash, Indesign, Windows XP, Vista, Seven, Mac OSX, Lion.

Development: HTML, CSS, Drupal CMS, Microsoft Sharepoint, Wordpress.

New England Web Design (March 2009 - Present)

- Started a small business that provided websites for several small businesses.
- Worked with a partner sharing responsibilities and work load.
- Provided great customer service, helped them understand concepts, and solved any and all problems.
- Took the initiative to learn Drupal CMS which led to successfully executed websites.

Lasell College Graphic Design League (September 2008 - May 2012)

- Created three major college club websites including the fashion department polished magazine site (www.polishedfashion.com).
- Appointed Web Master of GDL due to technical knowledge and interest.
- Designed and developed the GDL website (graphicdesignleague.com) using Drupal CMS and taught other student members how to maintain it, which insured accuracy and relevancy.
- Developed and implemented the schools online student newspaper using Microsoft Sharepoint, which led to 1,500 views on the first week, as well as a means for students to get involved.
